Hello? Dad? It's me.
Yea, I have something to say.
Didn't you just step on a landmine?
I'm going to sleep at Sung Hoon's house for a few days.
No, his parents aren't home.
I can't?

Okay.
Thanks Dad.
Oh, I'll give the phone to Sung Hoon.
....hello?
I leave my daughter in your hands. Take this chance to go all the way.
PLEASE, I BEG OF YOU! Can you do that for me? That devil....
Fine by me. Then I'll never get married and I'll live with Papa forever.
I'll live with you FOREVER.
That's fine, right?

Devil? What was he going to say after that?

This is fine, right?
Your condition was that I get permission from my parents.
Didn't I come to play here alot?
Uh, that's kind of...
That was during elementary school!
That failed!
Fine,
but only if your parents give you permission.
I thought that parents normally wouldn't let their teenage daughter spend the night at a guy's house...

You don't have to say it like that.
If Na Rae stays over, can I keep my reasoning?
Shut up! If I say I'm going to, I'm going to.
Those two are fine, but I'm not?
Or what, do you have a problem with me staying?
Those of the bear clan are usually obsessed over their mate, and they usually don't reveal their true feelings.
AAH-!
I'm hungry~
Let's talk after we eat~
I came to ask if I could start preparations for dinner.
스윽
Understood.
...ok.
I bought groceries earlier, so I leave it to you.

Don't we sound like newlyweds?
Was that,
meant for me to hear?
Oh, excuse me.
You let off a certain vibe, so I just tried saying it.
Also...
But...
there is no need for you to use honorifics.
No need.
...
Fine!
Then I want to help with dinner. Is that fine?
Why, thank you.

Rang Ii...
I shouldn't dare enter the kitchen.
또각 또각
Fine, fine.
You did nothing wrong. So...
THAT'S BECAUSE YOU DECIDED TO REVEAL YOUR EARS AND TAILS!
Uu~ but, after she said those things, how could I ignore it?
What are you doing.
You weren't paying attention to me for a while, so I'm mad.

Poke.
HNAYH ?!
Does it hurt? It would be better for you to come out already.
HNYAH! WHAT ARE YOU DOING?
Getting up is too much work~~
Oh, really now?

THAT WAS FUN! ONE MORE TIME!
How's that? If you don't want to...
Opposite effect huh...;;

I'M NOT!
Lolicon.

I made everything else
Please enjoy it
I made this and that,
eat it graciously
It looks like Camp Na Rae's food, and Camp Sae Hee's food are about to have a war
What is this? With the bulgogi in the center,

Are you seriously going to sleep here?
I said I would
What, did you think I was lying?
But right now Rang Ji and Sae Hee are here, as I thought, the problem is
and while I'm alone, Na Rae offered to sleep here, I would welcome her with open arms.
If this whole situation was a lie, and nobody was home,

So, which room do I use?
I'm fine with your room♡

Is it because of that Bear Clan thing?
Can't they just get along?

Of course, you'll sleep outside.
Use my Dad's room for now...
I'll bring the guest covers.
You're unexpectedly considerate.
Well, I'm going to unpack my stuff and change my clothes.

I'm not going to lock the door.
Are you telling me to peek or not?
If you peek, you die.
I won't.

THIS IS YOUR GLORIOUS LEADER

I have recieved enough donations to buy out every single chapter that is currently released. Any extra that I recieve, and any other donations that I recieve from now on will go towards future chapters(author still releases a new chapter every friday) and other projects(once I catch up all the way on this one)

Thank you those who donated, it was a great help. And thank you for supporting this project.

This does not mean stop donating :D

PAYPAL: gloriousscans@gmail.com

If you're donating, make sure to send with "send money to friends and family" and not "pay for goods or services" as that lets paypal take a fee and creates a 21 day delay.

Also, I'm recruiting staff.
